ABOUT US

Established for over 20 years, ADP Distribution are a family run company based in the West Midlands with over 50 years combined specialist experience in the visual merchandising industry. ADP provides eight main services including distribution, carpet distribution, installation, merchandising, store roll-out distribution, project management, overnight and international parcel deliveries and sample production and fulfilment. Our distribution service was established in January 2006 and has grown from just two vehicles to a fleet of twelve operating throughout the UK and Europe.

ADP operates from its modern 30,000 square foot warehouse located within Central England conveniently one mile from the M5 Motorway and all major transport links.

We have completed many high-profile installation projects around the UK and Europe.

Our clients include major electrical and computer stores, furniture manufacturers to national and European carpet and flooring companies. Whatever size of your requirements, ADP has the skills, expertise and infrastructure necessary to complete projects on time, in budget and to a high standard.

We adapt to your requirements.

Steve Birch Managing Director

Steve has also worked for a large independent carpet and flooring distributor, beginning his experience in 1987 as a Warehouse Operative. He progressed from his initial role to Warehouse Manager then Distribution Manager, before re-locating to London where he became Assistant Branch Manager/ Operations Manager. His hands-on experience over this time led him to set up and create ADP Distribution in 2006 which has grown from strength to strength within its 20 years of trading and has consequently allowed him to launch SampleWorx, which manufactures shade cards, folders and swatches.

Natalie Birch Company Director

Natalie began working in the carpet and flooring industry in 1995 for a large independent carpet and flooring distributor. During her 15 years there she gained a wealth of experience through her roles in the external sales team and the marketing department. Whilst working in the marketing team she was involved in company trade exhibitions across the UK which allowed her to assist in the running of the family businesses ADP Distribution and SampleWorx.

THE ADVENTURES OF... **ADP MAN**

At ADP we offer a range of services designed to meet the needs of modern day businesses. Operating from Central England, ADP ensure that a rapid distribution service is achieved with its easy access to all major motorway networks. At ADP, we get your consignments there safely, on-time, and in line with your individual needs. From single pallets to full loads, delivering locally, nationally and internationally. ADP understand that the key to a successful operation is to be in the right place at the right time. Therefore, having vehicles fit for the job and maintained to the highest possible standards.

ADP can fulfil your distribution requirements including company specific branding on all our vans. Allowing seamless integration with your existing infrastructure. We cater for all loads, and have extensive vehicle types including:

- Small vans
- Transit vans
- 4/5m Sprinter vans
- 7.5 Tonne T/L (Curtain & Box)
- 18 Tonne T/L (Curtain & Box)
- Articulated vehicles
